The Governing Board shall approve all regular job descriptions for the respective classifications of positions in accordance with the terms of employment set forth in this Personnel Manual.

3.02 Probationary Period

To ensure that new Regular employees are able to satisfy requirements of the position for which they were hired, the first twelve months or 2,080 working hours of employment, whichever occurs later, shall be considered the minimum probationary period for employees of the Agency. The probationary period is required as part of the testing process and shall be utilized for observing closely the employee's work.

During the probationary period an employee may be terminated at any time without cause or rights of appeal.

Employees hired in a non-regular status do not serve a probationary period, but rather are subject to removal or termination at any time, without cause and without right to appeal.

Employees promoted or transferred to another position in the Agency, shall be considered probationary employees during the first six (6) months or one thousand and forty (1,040) hours in

the new position, whichever is later. Employees failing to perform satisfactorily in the newly assigned position during the probationary period shall be returned to their former position or to a position requiring similar skill and in a similar pay range, unless terminated pursuant to disciplinary procedures.

3.03 Orientation

The immediate supervisor and Human Resources will provide a brief orientation to each new employee of the Agency. The orientation will address issues such as hours of work, rest periods, pay, benefits, probationary period, performance appraisal, position descriptions, attendance, drug abuse policy, smoking policy, inoculation policy, sick leave, vacation, overtime and other basic personnel issues as directed by the Personnel Officer.

3.04 Attendance

Employees shall be in attendance at their work in accordance with the rules regarding hours of work, holidays, and leaves. Hours of work will be determined by the General Manager or his/her designees and may be changed from time to time. All departments shall keep daily attendance records of employees, which shall be reported to payroll on the appropriate form. Absence without approved leave may be cause for discharge or other disciplinary action.

Employees shall make every effort to schedule personal appointments outside their working hours.

3.05 Performance Appraisal

It is the policy of the Agency to evaluate employee performance on a regularly scheduled basis. The performance appraisal shall normally be conducted by the employee's immediate supervisor and shall be discussed with the employee. The employee's immediate supervisor shall carefully consider each item of the performance appraisal in relation to the duties outlined in the employee's position description.

A performance appraisal shall be completed on at least an annual basis for regular employees. Special appraisals, as needed, may be given. The immediate supervisor or department head shall review each appraisal with the employee. Employees shall receive a copy of their appraisal and the employee and supervisor shall sign the original file copy.

3.06 Promotion

It is the policy of the Agency to fill authorized position vacancies with the most qualified individual available and to provide promotional opportunities for qualified employees. For the purpose of this policy, promotion shall be defined as movement to a higher classification in the pay schedule. Employees interested in promotion to a vacant position for which they are qualified shall submit an employment application to the Personnel Officer.

Employees promoted to a new position having a minimum pay higher than a five percent increase over the employee's current pay shall be placed at the minimum of the pay range in which the position is classified.

Only the Personnel Officer shall extend offers of promotion to selected candidates pursuant to Section 2.09 of this Personnel Manual.

3.07 Transfer

No person shall be transferred to a position for which that person does not possess the minimum qualifications. Employees requesting a transfer shall submit a memorandum to the Personnel Officer detailing the request for transfer and reasons for the request. Upon receipt of the transfer request, the Personnel Officer will notify the employee's supervisor and/or department head. Job performance, qualification and attendance shall be evaluated to ensure the most effective use of the employee's capabilities in evaluating the transfer request. If the transfer involves a change from one department to another, both department heads must consent thereto unless the General Manager orders the transfer. The Agency may initiate employee transfers when the transfer is in the best interest of the Agency. Employees transferred to a vacant position shall serve the required probationary period in accordance with Section 3.02 of this Personnel Manual.

3.08 Acting In Higher Classification

An employee designated to act in a higher classification shall receive the *starting pay rate of the acting position* or an extra five percent (5%) of Base Pay, *whichever is greater*, as additional compensation for time spent in the acting position. (03/27/2019)

Employees appointed to an "acting" position shall not acquire probationary or regular status or rights, and time spent in an "acting" position shall not contribute to the probationary period if the employee is subsequently appointed to the position.

3.09 Demotion

Employees demoted at their own request shall be subject to a probationary period of six (6) months or one thousand forty (1,040) hours, whichever is later. If the employee fails to perform satisfactorily during the probationary period, the employee may be terminated in accordance with the employee termination policy.

The Agency may demote an employee whose ability to perform the required duties falls below standard or for disciplinary purposes. No employee shall be demoted to a position for which the employee does not possess the minimum qualifications. Employees demoted due to unsatisfactory performance following a promotion or transfer shall be returned to their former position and pay provided the demotion occurs during the probationary period.

3.10 Suspension

The General Manager may suspend an employee, without pay, at any time for a disciplinary purpose. Department heads or immediate supervisors with the department head's concurrence may suspend a subordinate employee for not more than five (5) working days at any one time for disciplinary reasons. Intended Suspension for disciplinary reasons shall be reported immediately to the General Manager and shall be taken in accordance with Section 13 hereof.

The General Manager may suspend an employee, with pay, pending investigation of misconduct or for other legitimate reasons.

3.11 Reinstatement

Employees who have resigned from Agency employment may be eligible for reinstatement to their former position or to a position with similar required skills and pay grade providing all of the following criteria are met:

1. There is a vacant position for which the employee seeks reinstatement.
2. The request for reinstatement is received within six (6) months from the date the employee resigned.
3. The former employee meets the medical and/or psychological requirements for the position and is certified fit for employment, with or without reasonable accommodation, by an Agency retained physician.
4. Performance appraisals at the time of resignation were satisfactory.
5. The former employee provided at least two (2) weeks notice upon resignation.
6. The Personnel Officer approves the reinstatement request prior to the appointment.

Former employees shall have no right to reinstatement and such reinstatement shall be at the sole discretion of the General Manager. The General Manager reserves the right to consider the restoration of pay, seniority, and other employee benefits on an individual basis and the same shall be restored at the sole discretion of the General Manager. Reinstated employees shall be required to complete a new employee probationary period.

3.12 Modified Duty

Employees receiving a physician's prognosis and desiring a temporary "modified duty" assignment must submit a physician's statement authorizing "modified duty" including a detailed description of the type of work that the employee can safely perform. Such temporary "modified duty" may only be granted by the General Manager and will only be assigned after a case-by-case evaluation of the availability of a modified duty assignment through the Interactive Process. The availability and reasonableness of other accommodations will also be explored through the Interactive Process.

3.13 Termination

Employees may be terminated without cause and without right of appeal at any time during a probationary period pursuant to Section 3.02. Terminations occurring during the probationary period shall be initiated by the appropriate department head and approved by the General Manager prior to notifying the employee of termination.

The Agency may discharge Regular Employees for cause, including, but not limited to misconduct and/or inadequate job performance. Employees discharged in accordance with these rules shall forfeit all employee benefits except benefits to which the employee is statutorily entitled.

Employees hired in a non-regular status do not serve a probationary period, but rather are subject to removal or termination at any time, without cause and without right to appeal.

3.14 Notice of Resignation

Employees who wish to voluntarily terminate employment with the Agency shall provide a two-week minimum written notice to their immediate supervisor. The written resignation shall be forwarded immediately to Human Resources for processing. Any employee failing to provide the Agency with a minimum of two weeks written notice shall be ineligible for consideration for future employment with the Agency.

Resignation shall be deemed accepted upon submission and may not be withdrawn or rescinded without the General Manager's written authorization.

3.15 Employment of Relatives

In order to assure efficiency in implementing policies of the Agency, it is necessary to restrict the employment of relatives of elected and appointed officers of the Agency and or relatives of Agency employees. Therefore, the following restrictions will apply:

1. Relatives of the General Manager and Governing Board of the Agency shall not be eligible for regular Agency employment.
2. Agency employees shall not be employed in a position which exercises supervisory authority over a relative.
3. If two (2) Agency employees become married or registered domestic partners and their employment conflicts with the provisions of this policy, and the conflict cannot be resolved by a transfer or other reasonable accommodation, the employees will be given a choice of which one will resign. If neither elects to resign, the General Manager will decide which employee must be terminated.
4. In no event shall an employee participate directly or indirectly in the recruitment or selection process for a position in which an employee's relative may have filed an official employment application.
5. *Exceptions to the above policy may be granted upon approval of the Governing Board upon recommendation of the Administrative Committee. (01/22/2014)*

The employees will have the option to choose from all available tests, but must submit to one.

2. Use, being under the influence, possession, distribution or manufacture of drugs or alcohol.

A) Alcohol

An employee may continue to work, even though under the influence of a legal drug, if management has determined, after consulting with competent medical authority, that the employee does not pose a threat to his or her own safety or the safety of coworkers and that the employee's job performance is not significantly affected by the legal drug. Otherwise, the employee may be required to take accrued time off or a leave of absence or comply with other appropriate action as determined by the Agency.

C) Illegal Drugs

Employees who feel or have been informed that the use of a legal drug may present a safety risk are to report their use of such drug, without disclosing the underlying medical reason for taking the drug to their immediate supervisor. Employees who suspect that a fellow employee or others might be a safety risk must report their suspicions to their immediate supervisor for further investigation and appropriate action.

B) Illegal Drugs

Employee use of an illegal drug poses a significant risk to the safety of the employee or others. Failure to inform the Agency shall result in disciplinary action up to and including termination for the first offense. By law, the Agency will notify the federal contracting officer within ten days of receiving such notice from an employee or otherwise receiving notice of such a conviction. The Agency reserves the right to offer employees convicted of violating a criminal drug statute in the workplace participation in an approved rehabilitation or drug abuse assistance program as an alternative to discipline. If such a program is offered, and accepted by the employee, then the employee must satisfactorily participate in and successfully complete the program as a condition of continued employment.

All employees of the Agency shall be required to acknowledge that they have read this policy and agree to abide by it in all respects. By law, this acknowledgment and agreement are required as a condition of continued employment.

SECTION 5 EMPLOYMENT HOURS

5.01 All Employees

The official workweek for employees regularly assigned to an eight (8) hour per workday schedule shall begin on Saturday at 12:01 a.m. and end at 12:00 p.m. on the following Friday.

The normal workday consists of eight (8) hours, with a 10-minute break during the first four hours and a 10-minute break during the second four hours of work. Employees receive a 30-minute meal period, which is not included in the eight (8) hour workday. Employees are encouraged to take their meal period and breaks and record their meal time. Employees assigned to a modified work schedule (e.g., 9/80, 4/10, etc.) by the General Manager are subject to a different workweek based on the modified schedule.

If workload demands do not allow for an uninterrupted 30-minute meal break, the employee will be paid through the meal break. Employee may be provided with a meal when working at field locations if the work does not allow sufficient break time for the employee to eat elsewhere, as determined by the job supervisor.

5.02 Exempt Status

Employees designated as Exempt are not eligible for overtime pay or compensatory time for working hours over and above the normal daily work schedule. Exempt employees are *granted eighty (80) hours of administrative leave on July 1st of each year. A cash payment (at the employee's current Base Pay) for the unused administrative leave in excess of forty (40) hours will be included in the employee's paycheck for the last pay period ending in June.

For example: If the last full pay period in June 2020 ends on June 30, the employee will receive a cash payment for unused administrative leave in excess of 40 hours as of June 30.

5.03 Exempt Employee Absences

Exempt employees are paid on a salary basis and are expected to complete the number of hours necessary to meet the responsibilities of their respective jobs. Normally this will require at least 80 hours per pay period, subject to the control of the General Manager. Under the Agency's pay

system, an exempt employee who is absent for personal reasons or because of illness or injury shall have his or her pay subject to reduction for such absence if the employee does not have sufficient accrued vacation, sick leave, or other paid leave to cover such period of absence.

5.04 Time Cards

Non-exempt employees designated by management to utilize timekeeping requirements such as timecards, etc., shall ensure that all entries indicated thereon are accurate. No employee shall fill out the time log or punch the timecard of another employee. However, administrative staff may make minor corrections when reviewing such timecards. All corrections will be initialed and reviewed with the affected employee. The affected employee will initial the correction to acknowledge his/her awareness of the correction. Falsification of such records is a serious offense and will subject the violators to disciplinary action.

Hours worked by non-exempt employees should be rounded to the nearest half-hour worked. For example, if the employee worked 14 minutes or less, round down to the nearest half-hour. If the employee worked 15 minutes or more round up to the nearest half-hour. Timecards must be completed in ink.

All employees are eligible for a pay adjustment upon completion of the probationary period, and at twelve-month intervals thereafter to the top of the pay range. A completed performance appraisal with a satisfactory or higher rating shall be required for all pay adjustments.

6.02 Overtime

Employees called out will be paid for actual time worked on call-outs in 30-minute increments, with a minimum of one (1) hour for each applicable call-out. Time worked will be calculated based on time from home to home.

6.04 Shift Differential

Employees whose regularly scheduled work hours are between 4:30 p.m. and 8:00 a.m. may qualify for a 5% shift differential and a paid lunch period. To qualify for this shift differential, four (4) or more of an employee's regularly scheduled work hours must be between 4:30 p.m. and 8:00 a.m. This differential shall only apply to actual hours worked. SECTION 7 COMPENSATION - EMPLOYEE BENEFITS

7.01 Retirement Benefit Plan

A. General Provisions

The Agency contracts with the California Public Employees Retirement System (CalPERS) to provide retirement benefits for its employees.

On September 12, 2012, Governor Brown signed into law the Public Employees' Pension Reform Act of 2012 (PEPRA) which impacts the retirement benefits that the Agency offers through CalPERS. Among other provisions, PEPRA adopts a compulsory formula and mandatory contributions for certain employees generally hired on or after January 1, 2013 that are defined as "new members." Pursuant to Government Code Section 7522.04(f), the term "new member", as it applies to the Agency, refers to the following employees:

- (1) An employee who enrolls in CalPERS for the first time on or after January 1, 2013 and who has no prior membership in any other California public retirement system; or
- (2) An employee who enrolls in CalPERS for the first time on or after January 1, 2013 and who was a member of another California public retirement system prior to January 1, 2013 but who is not eligible for reciprocity pursuant to the rules of that other system; or
- (3) An employee who established CalPERS membership prior to January 1, 2013 with a different CalPERS employer, and who is hired by the Agency after January 1, 2013, after a break in service of greater than 6 months.

As a result of PEPRA, the Agency must have two tiers of retirement benefits the application of which depends on an employee's status as a new member. Agency employees that were enrolled in CalPERS before January 1, 2013 and CalPERS-eligible employees hired on or after January 1, 2013 that are not new members, as defined above, are referred to as "Classic Members."

B. Tiered Pension Benefits

The monthly retirement allowance of both Classic Members and New Members is determined by age at retirement, years of service credit and final compensation. To be

eligible for service retirement, a member must be at least age 50 and have five years of CalPERS credited service. There is no compulsory retirement age.

1. Classic Members

The retirement benefit formula for Classic Members is 2.7% @ 55. The basic benefit is the contracted formula (2.7%) times the final compensation for each year of credited service upon retirement at age 55.

The Agency pays 100% of employer portion of the costs associated with this retirement program. The employee contribution towards this retirement program is currently eight percent (8%) of PERSable compensation. Of this amount, the Agency pays three percent (3%) for the employee contribution, with the employee responsible for paying the remaining five percent (5%).

2. New Members

The retirement benefit formula for New Members is 2% @ 62. The basic benefit is the contracted formula (2%) times the final compensation for each year of credited service upon retirement at age 62.

As of January 1, 2013, the PERSable compensation of New Members will be capped at an amount that is set and subject to adjustment by CalPERS. In addition, the items of compensation used to determine benefits or contributions to CalPERS will be limited to those items of compensation deemed “pensionable compensation” under Government Code Section 7522.34.

New Members are required to pay for a portion of the cost of the 2% @ 62 retirement formula. This mandatory member contribution is not a fixed amount. Rather, it will be set by CalPERS based on the following formula. The mandatory contribution will be equal to the greater of 50% of the total normal costs attributable to the 2% @ 62 benefit plan, rounded to the nearest quarter of 1 percent, or the current contribution rate of similarly situated employees. The Agency will inform New Members of the amount of the mandatory employee contribution when CalPERS informs the Agency of the rate.

Employees of the Agency placed on approved leave of absence without Agency pay may continue to participate in the Agency's benefit programs for the duration of the leave of absence at their own expense. Agency contributions to the benefit plan shall cease on the effective date of the leave of absence without Agency pay. Employees placed on approved leave of absence without Agency pay who want to continue participation in the benefit programs must advise Human Resources in writing of their intention to do so and shall submit a check for the cost of the applicable coverage to the accounting department no later than the 10th day of the month preceding the month for which coverage is effective.

5. Employees and dependents covered by the Agency's health plan may have the right to choose and pay for continuation coverage if they lose group health coverage for certain reasons. Questions concerning COBRA qualifying events and eligibility requirements should be directed to Human Resources.

Those options are based on eligibility criteria which include *years of service with the Agency*, separation date, retirement date, and age. Employees may be permitted to purchase additional life insurance through the Agency Section 125 Flexible Benefit Plan. (03/26/2014)

The Agency does not participate in the California State Disability Insurance (SDI) program. Short-term and long-term disability coverage is provided through a private insurance carrier. The insurance company may provide regular income when an employee is unable to work due to an

illness or injury unrelated to the employee's job. Disability insurance premiums are deducted from the employee's pay at a rate determined annually by the insurance carrier. Additional information on disability benefits is available from Human Resources.

7.06 Supplemental Retirement Plan

If an employee elects to contribute a minimum of six percent (6%) of his/her regular Base Pay to a Section 457 deferred compensation plan, the Agency will match contribute three percent (3%) of the employee's regular Base Pay to a *401(a) Retirement Savings Plan*. The amounts contributed by the employee and employer are based on the actual bi-weekly regular pay. In no case will the Agency contribution exceed three percent (3%) of the employee's actual bi-weekly Base Pay. The maximum contribution to a 457 plan and a *401(a) plan* are dictated by the annual limit set forth by the Internal Revenue Service. (01/01/2024)

These days will not be considered holidays, but days off at straight-time pay.

If scheduled for duty on a non-holiday paid-day-off, the employee must arrange with their supervisor for an alternate day off with pay during the same pay period.

All Regular employees receive Floating Leave Hours, (24 hours total) on *July 1st each year*. *Regular employees hired during the fiscal year receive a pro-rated amount (based on the days of employment from the hire date to the end of the fiscal year)*. *Floating leave hours are credited to Compensatory Time accrual for non-exempt employees and Administrative Leave accrual for Exempt employees. In no event shall an employee be entitled to receive sick leave with pay in excess of the number of sick leave days accrued at the time of illness. An employee who has exhausted accrued sick leave and who is unable to work due to illness or injury may utilize other accumulated leave, if any. If the employee has exhausted both sick leave and vacation leave accruals, the employee may be placed on unpaid leave.

2. Use. The following are considered appropriate uses of sick leave accrual:

- A) Employees may use accrued sick leave for personal illness or injury.
- B) An employee who is personally undergoing medical, dental, or optical treatment or examination may use accrued sick leave for required time away from work, and

- C) Employees may use accrued sick leave for the care of an Immediate Family member illness or injury.

Wellness leave may not be used in conjunction with other paid leave. (12/07/2016)*
- 3. Notice of Illness. The Agency must be notified within one-half (1/2) hour after the start of the employee's scheduled workday of an illness on the first day of absence. It is the responsibility of the employee to keep the Agency informed as to continued absence beyond the first day for reasons due to illness. Failure to make such notification may result in denial of sick leave with pay as well as disciplinary action.
 - 4. Illnesses during vacation leave. Employees who become ill while on approved vacation leave may request to have vacation time converted to sick leave. Approval may be conditioned on the employee presenting a doctor's certificate verifying an illness or injury. Such conversion shall require approval of the Personnel Officer.
 - 5. Return from sick leave. At the discretion of the Agency, employees who have been on sick leave may be required to satisfactorily complete a physical and/or psychological examination administered by an Agency retained physician or to present a statement signed by a licensed physician stating that the employee is able to resume normal duties, with or without reasonable accommodation.
 - 6. Misuse. Evidence substantiating the abuse and misuse of the sick leave benefit shall result in denial of paid sick leave and may result in disciplinary action.
 - 7. If the employee is not receiving compensation from the Agency for a period exceeding 30 consecutive calendar days, the employee stops accruing sick leave.
 - 8. See Section 8.06 Payment of Accrued Time for information related to accrued sick pay.

8.04 Vacation

All Regular employees will be entitled to the following vacation time following anniversary dates from the first day of service with the Agency:

Regular Full-Time Employees

Such vacation allowance shall be available for use on the first day following the pay period in which it is earned.

Regular Part-time employees of the Agency shall accrue vacation leave on a pro-rata basis. There shall, however, be no proration of the maximum accrual.

Vacation accrual ceases when the maximum accrual level for years of service is reached and until the maximum accrual has been reduced. Earned vacation leave may be taken in one-half hour increments with the approval of the employee's immediate supervisor and at such time as will not impair the work schedule and efficiency of the department. Should employee vacation requests conflict with staffing requirements, supervisors shall arrange a mutually acceptable vacation schedule based on length of employee service and the order in which employee vacation requests were submitted.

If the employee is not receiving compensation from the Agency for a period exceeding 30 consecutive calendar days, the employee stops accruing vacation leave.

Please see Section 8.06 Payment of Accrued Time for information related to accrued vacation pay.

8.05 Compensatory Time

A non-exempt employee may elect to accrue compensatory time in lieu of overtime pay. *All non-exempt employees electing to accrue compensatory time in lieu of overtime pay must make an election on the form provided by the Agency twice a year. Each six months employees may elect to receive compensatory time for overtime worked during the election period. The employee must submit an Overtime Compensation Form to Human Resources as set forth in the chart below.* (07/24/2019)

<i>Election Effective For</i>	<i>Last Day to Submit Overtime Compensation Form</i>	<i>Election Period</i>
<i>First Half (July 1 – December 31)</i>	<i>5:00 p.m. on the earlier of: (1) June 30 of the preceding half; or (2) the last business day of the preceding half.</i>	<i>The first pay period ending in July through the last pay period ending in December.</i>
<i>Second Half (Jan 1 – June 30)</i>	<i>5:00 p.m. on the earlier of: (1) December 31 of the preceding half; or (2) the last business day of the preceding half.</i>	<i>The first pay period ending in January through the last pay period ending in June.</i>

If the employee does not submit a form electing to receive compensatory time for time worked in lieu of overtime pay, the employee will receive overtime pay.

Compensatory time shall be calculated at the applicable *multiplier* for the number of overtime hours worked. Compensatory time earned must be reported on the employee's timecard and submitted to the payroll department.

Employees shall be encouraged to use compensatory time as quickly as possible depending on the workload of the assigned department. Please see Section 8.06 Payment of Accrued Time for information related to *annual payment of accrued and unused* compensatory time. (07/24/2019)

8.06 Payment of Accrued Time

1. Payment at Separation (07/24/2019)

Employees are eligible for payment of accrued vacation time, accrued compensatory time, and accrued sick time at separation (*payment of accrued administrative leave is limited to Exempt employees and is addressed in Section 5.02*). At separation, the Agency will pay the employee for accrued time at the employee's final Base Pay as outlined in the chart below. If separation is involuntary, accrued sick time will be ineligible for payment by the Agency. Involuntary separation includes termination for cause or resignation in lieu of termination.

<i>Accrued Time</i>	<i>Payment at Separation</i>
<i>Vacation</i>	<i>100% of Accrued Time</i>
<i>Sick</i>	<i>50% of Accrued Time *</i>
<i>Compensatory</i>	<i>100% of Accrued Time</i>

**Payment at separation will occur only if separation is on a voluntary basis and the employee has completed five years of service. There will be no payment of accrued sick time if separation is involuntary.*

2. *Payment on a Semi-Annual Basis – Vacation and/or Sick Leave.* (07/24/2019)

Each six months employees may elect to receive a cash payment for vacation, and/or sick time that will be earned and accrued during the following six months. The employee must submit a Payment of Accrued Time Form to Human Resources as set forth in the chart below.

<i>Election Effective For</i>	<i>Last Day to Submit Payment of Accrued Time Form</i>	<i>Election Period</i>
<i>First Half (July 1 – December 31)</i>	<i>5:00 p.m. on the earlier of: (1) June 30 of the preceding half; or (2) the last business day of the preceding half.</i>	<i>The first pay period ending in July through the last pay period ending in December.</i>
<i>Second Half (Jan 1 – June 30)</i>	<i>5:00 p.m. on the earlier of: (1) December 31 of the preceding half; or (2) the last business day of the preceding half.</i>	<i>The first pay period ending in January through the last pay period ending in June.</i>

For the First-Half Election Period, payment will be included in the employee's paycheck for the last payroll period ending in December. For the Second-Half Election Period, payment will be included in the employee's paycheck for the last payroll period ending in June. The amount an employee may elect to cash out each half is limited to the amount of time he or she earns and accrues during the election period (see chart above).

For example: Assume an employee elects on June 30 to cash out 16 hours of vacation time during the First Half (July 1 – December 31). The employee, however, only earned and accrued 8 hours of vacation time during the election period for the First Half. The employee's payment for accrued vacation time is limited to those 8 hours.

The additional requirements related to the semi-annual election are outlined in the chart below.

<i>Accrued Time</i>	<i>Limitation of Payment During Employment</i>	<i>Requirements</i>
<i>Vacation</i>	<i>Not to exceed 24 hours during any 12-month period</i>	<ul style="list-style-type: none"> • <i>Employee must submit a timely Payment of Accrued Time Form.</i> • <i>Payment is limited to the amount of accrued vacation and sick time in excess of 360 hours (on a combined basis).</i> • <i>Payment is further limited to the vacation time earned and accrued during the election period to which the Payment of Accrued Time Form applies.</i>
<i>Sick</i>	<i>Payable at 50% of Base Pay.</i>	<ul style="list-style-type: none"> • <i>Employee must submit a timely Payment of Accrued Time Form.</i> • <i>Employee has completed five years of service.</i> • <i>Payment is limited to the amount of accrued vacation and sick time in excess of 360 hours (on a combined basis).</i> • <i>Payment is further limited to the sick time earned and accrued during the election period to which the Payment of Accrued Time Form applies</i>

3. *Payment on an Annual Basis – Compensatory Time.* (07/24/2019)

Unused compensatory time will be determined based on the amount of compensatory time that is unused as of the last day of the last pay period ending in June. A cash payment (at the employee's Base Pay) for the unused compensatory time in excess of forty (40) hours will be included in the employee's paycheck for the last pay period ending in June.

For example: If the last pay period ending in June 2020 ends on June 30, the employee will receive a cash payment for unused compensatory time in excess of 40 hours as of June 30.

4. *Cash Out Option in the Event of an Unforeseeable Emergency* (07/24/2019)

Any employee of the Agency may elect to cash out already accrued time (including vacation, sick, administrative and/or compensatory) in the event of an unforeseeable emergency. For the purposes of this policy, the term "unforeseeable emergency" means an unanticipated emergency that is caused by an event beyond

the employee's control that will result in a severe financial hardship to the employee if a cash payment is not made. The amount of already accrued time that may be cashed out pursuant to this policy is limited to the lesser of (1) the amount necessary to resolve the unforeseeable emergency; or (2) the amount of time the employee has accrued as of the date the cash payment will be made to aid with the unforeseeable emergency. Further, the cash out of sick time is available only to those employees that have completed five years of service. The Agency's General Manager or his or her designee shall, in his or her sole discretion, determine whether an emergency exists and the extent of the employee's resulting financial need.

Employees seeking to utilize this policy will need to contact Human Resources.

8.07 Bereavement Leave

When a death of a *family relative* of a Regular employee occurs, the Agency will grant the employee up to three (3) consecutive workdays off with pay. The employee may use accrued time for additional leave, with the supervisor's approval. (05/27/2015)

8.08 Voting

The Agency encourages eligible employees to register and vote in all federal, state and local elections. Employees of the Agency are expected to vote prior to or following the assigned working hours. However, the Agency will consider time off with pay to participate in federal, state and local elections in certain circumstances.

Employees having two or more consecutive non-working hours following the opening or preceding the close of polls will not be granted time off with pay to vote. Employees having less than two consecutive non-working hours following the opening or proceeding the close of polls may be granted sufficient time off with pay to vote. In order to receive paid time off to vote, the employee must provide a written request for such time and must obtain written approval from the employee's department head. Requests must be made in writing and must be received at least three days prior to Election Day. The Personnel Officer shall be notified prior to approval of paid time off for voting. In no event shall an employee receive more than two hours paid absence for the purpose of voting. Voting time with pay shall be taken immediately prior to the beginning or the completion of the employee's scheduled workday. Paid absence for the purpose of voting shall be in accordance with section 14400 of the California Elections Code.

8.09 Jury Duty

Every regular employee of the Agency who is called or required to serve as a trial juror, upon notification and appropriate verification submitted to his/her supervisor, shall be entitled to be absent from his/her duties with the Agency during the period of such service or while necessarily being present in court as a result of such call. An employee serving as a juror may receive up to two weeks paid leave during the time of service. The employee shall be expected to report to work during those normal working hours in which the employee is not required to be present as a juror. Any compensation received from the court shall be reported to the Agency and the employee's

normal pay shall be lowered by the amount of pay received for jury duty. Jury service beyond two weeks shall be unpaid by the Agency.

8.10 Military Leave

Military leave shall be granted in accordance with the provisions of state law. All employees entitled to military leave shall give the appointing authority an opportunity within the limits of military regulations to determine when such leave shall be taken.

8.11 Family/Medical and Pregnancy Disability/Transfer Policy

Under the Federal Family and Medical Leave Act of 1993 ("FMLA") and the California Family Rights Act of 1993 ("CFRA"), if an employee has more than 12 months of service with Agency and has worked at least 1,250 hours in the past 12 months, the employee may have a right to FMLA and/or CFRA leave. If eligible for such leave, the employee may be entitled to take up to 12 workweeks of unpaid, job protected leave in a 12 month period for the birth, adoption, or foster care placement of the employee's child; for employee's own serious health condition or to care for employee's child, parent, spouse, or registered domestic partner. At either employee's or Agency's option, certain kinds of paid and unpaid leave may be substituted for family leave.

Even if employee is not eligible for FMLA and/or CFRA leave, if disabled by pregnancy, childbirth or related medical conditions, employee is entitled to take a pregnancy disability leave ("PDL") of up to four months, depending on employee's period(s) of actual disability. If employee is also FMLA/CFRA eligible, employee has certain rights to take BOTH a PDL/FMLA leave and a CFRA leave in connection with the birth of employee's child.

When medically necessary, leave may be taken on an intermittent or a reduced work schedule. If employee is taking CFRA leave following the birth, adoption or foster care placement of a child, the basic minimum duration for such leave is two weeks, and employee must conclude the leave within one year of the birth, or placement for adoption or foster care.

If possible, employee must provide at least 30 days advance notice for foreseeable events (such as the expected birth of a child or a planned medical treatment for employee or of a family member). For events which are unforeseeable, employee needs to notify Agency, at least verbally, as soon as employee learns of the need for the leave. Failure to comply with these notice requirements is grounds for and may result in deferral or loss of the requested leave.

Agency may require certification from employee's health care provider before allowing employee a leave for pregnancy or employee's own serious health condition, or certification from the health care provider of employee's child, parent, spouse or registered domestic partner, who has a serious health condition, before allowing employee a leave to take care of that family member. Under certain circumstances, Agency may also require second or third opinions and a fitness for duty report prior to employee's return to work.

Where the FMLA and/or CFRA apply, Agency will continue group health plan coverage (if any) for up to a maximum of 12 weeks in any 12-month period under the same terms and conditions as applied prior to employee's leave of absence. Upon return from leave, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other

employment terms. While taking a family care or pregnancy disability leave may impact certain of employee's benefits and employee's seniority date, use of FMLA, CFRA and/or PDL leave cannot result in the loss of any employment benefit that accrued prior to the start of employee's leave of absence.

For more information and/or a copy of Agency's detailed policies regarding family and medical leave and/or pregnancy disability leave, please contact Human Resources.

8.12 Leave of Absence Without Agency Pay

The General Manager, in his/her unrestricted discretion, may grant a regular employee leave of absence without Agency pay or seniority accrual, not to exceed three months. After three months, the leave of absence may be extended if so authorized. No such leave shall be granted except upon written request of the employee, setting forth the reason for the request, and the approval will be in writing. Upon expiration of a regularly approved leave or within a reasonable period of time after notice to return to duty, the employee shall be reinstated in the position held at the time leave was granted. Failure on the part of an employee on leave to report promptly at its expiration, or within a reasonable time after notice to return to duty shall be deemed a resignation. The depositing in the United States mail of a first-class letter, postage paid, addressed to the employee's last known place of address, shall be reasonable notice.

All employees placed on approved leave of absence status without Agency pay shall not accrue credited service for pay review, vacation, and sick leave purposes for the duration of the leave of absence. Eligibility for pay review, vacation and sick leave accrual may be extended by the number of days an employee has been on approved leave of absence without Agency pay. Employees placed on approved leave of absence without Agency pay shall be responsible for all health insurance premiums, life insurance premiums, and other monthly benefit payments as prescribed by the Personnel Officer.

8.13 Unauthorized Leave of Absence

Employees shall be in attendance at their work in accordance with the rules regarding hours of work, holidays, and leaves. Leaves of absence shall be authorized by the General Manager or his designees.

Nothing in this section shall limit the General Manager's authority to discipline an employee due to an unauthorized absence.

SECTION 9 VEHICLE OPERATION POLICY

9.01 Policy

During the course of employment with the Agency, employees may be required to operate their personal vehicles to perform their assigned duties. Because of this requirement, a valid California driver's license, a satisfactory driving record, and proof of insurance are conditions of employment with the Agency. No employee shall operate or drive any motor vehicle on behalf of the Agency

unless the employee is licensed for the class of vehicle to be driven, maintains a satisfactory driving record and maintains adequate insurance.

9.02 Driver's License

Employees of the Agency may be required to maintain a valid California driver's license as a condition of continued employment.

9.03 Driver's Record

Employees of the Agency must possess a satisfactory driving record.

9.04 Motor Vehicle Insurance

Employees whose duties may require the use of a personal vehicle while on duty must provide the Agency with proof of insurance meeting minimum state standards. Employees may not be eligible for continued employment unless their insurance coverage is verified and approved.

Agency insurance may provide secondary coverage in some circumstances, but this does not excuse Agency employees from obtaining their own vehicle insurance.

9.05 Commercial Driver Licensees

Employees holding a Commercial Driver License (CDL) and performing job duties defined as Safety-Sensitive must participate in a drug and alcohol testing program per U.S. Department of Transportation (DOT) regulations. CDL drivers are subject to drug and alcohol testing which includes the following required tests: Pre-Employment, Post-Accident, Random Testing, Reasonable Suspicion, Return-to-Duty, and Follow-up.

SECTION 10 EXPENSE REIMBURSEMENT

10.01 Travel Expenses

The Agency shall reimburse employees and officers of the Agency for reasonable travel, lodging and other expenses directly related to the conduct of Agency business provided such expenses have been previously approved by the appropriate department head and/or the General Manager. Employees shall provide receipts for all expenses.

10.02 Travel Advance

Employees traveling on Agency business may obtain funds to defray the expenses of such travel by completing a travel advance request (per diem). Employee travel advance requests shall be submitted to the department head for approval through the employee's immediate supervisor. If travel advance is requested prior to the employee leaving, a check will be issued, or in the event of an immediate/unforeseen need, petty cash may be issued. A check request must be submitted in enough time to go through the regular accounts payable process. Receipts are not necessary if

per diem allowance is issued prior to the function and the employee accounts for the date, place, and business purpose of the travel.

10.03 Personal Automobile Travel

Employees are not permitted to use their personal automobile in conducting Agency business without approval of the department head or General Manager. Prior to authorizing the use of a personal automobile for Agency business, the department head or General Manager shall determine the validity of the business purpose and availability of an Agency-owned vehicle.

SECTION 11 OUTSIDE EMPLOYMENT

11.01 Authorization for Outside Employment

Although the Agency recognizes the employee's right to engage in private and/or commercial activities outside the normal working hours, the Agency expects each employee to avoid those outside activities which are a conflict of interest or which may potentially become a conflict of interest.

Therefore, all employees interested in pursuing private and/or commercial activities outside normal working hours will be required to present a written explanation of such activities to the department head for Agency records. A copy of the written explanation shall be forwarded to the General Manager for insertion in the employee's personnel file.

11.02 Prohibited Activities

Employees shall avoid outside employment activity with individuals or companies doing business with or soliciting business from the Agency. Employees shall not engage in outside employment activity which may unduly influence professional decisions, actions or judgment made on behalf of the Agency. Employees shall not engage in outside employment activity which may deprive the Agency of their time, attention and loyalty during normal working hours. Employees shall not engage in outside employment activity which may require confidential information concerning the Agency. Employees shall avoid significant financial interest in companies doing business with or soliciting business from the Agency. Employees shall not engage in outside employment activity requiring the use of Agency property, equipment or supplies. Employees shall not use Agency stationary, forms or equipment, including telephones and postage, in any capacity not directly related to the performance of assigned duties with the Agency.

11.03 Conflicting Activities

Employees conducting outside activities conflicting with, compromising or reflecting unfavorably upon Agency interests shall be requested to terminate such activities. Employees continuing to conduct outside activities conflicting with, compromising or reflecting unfavorably upon Agency interests, after a request to terminate such activities, shall be subject to disciplinary action.

SECTION 12 POLICY AGAINST EMPLOYEE DISCRIMINATION AND HARASSMENT

12.01 Policy Against Discrimination and Harassment

The Agency condemns and prohibits discrimination and harassment of an individual because of that individual's sex, race, religious creed, color, age, national origin, ancestry, marital status, medical condition, sexual orientation, physical or mental handicap or disability, or membership in any other protected classification. Such discrimination and harassment by employees and non-employees is not only unlawful, but it may result in high turnover, absenteeism, low morale and low productivity, and an uncomfortable work environment. Therefore, the Agency will not tolerate any such discrimination and harassment of its employees and will take affirmative steps to stop it.

12.02 Application

This policy applies to all phases of the employment relationship, including recruitment, testing, hiring, upgrading, promotion/demotion, transfer, layoff, termination, rates of pay, benefits and selection for training.

This policy applies to all officers, directors, and employees of the Agency, including persons working under contract for the Agency.

12.03 Harassment Defined

1. Submission to the offensive conduct is an explicit or implicit term or condition of employment;
2. Submission to, or rejection of, the offensive conduct forms the basis for an employment decision affecting the employee, or
3. The offensive conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creates an intimidating, hostile or offensive working environment.

Examples of what may constitute prohibited harassment include, but are not limited to, the following:

1. Kidding or joking about sex or membership in one of the protected classifications;
2. Hugs, pats and similar physical contact;
3. Assault, impeding or blocking movement, or any physical interference with normal work or movement;

If the General Manager is involved in the reported conduct, the report should be made to the Chairman of the Governing Board.

The General Manager is the person designated by the Agency to investigate complaints of discrimination or harassment. The General Manager may, however, delegate the investigation at his/her discretion. In the event the discrimination or harassment complaint is against the General Manager, an investigator shall be appointed by the Chairman of the Governing Board.

All records and information relating to the investigation of any alleged discrimination or harassment and resulting disciplinary action shall be confidential, except to the extent disclosure is required by law, as part of the investigatory or disciplinary process, or as otherwise reasonably necessary.
5. Based on the report and any other relevant information, the General Manager (or Chairman of the Governing Board) shall, within a reasonable period of time, determine whether the conduct of the person against whom a complaint has been made constitutes discrimination or harassment. In making that determination, the General Manager (or Chairman of the Governing Board) shall look at the record as a whole and at the totality of the circumstances, including the nature of the conduct in question, the context in which the conduct, if any, occurred, and the conduct of the person complaining of discrimination or harassment. External Remedies

1. In the event a complaint is filed with the DFEH, and the DFEH finds that the complaint has merit, the DFEH will attempt to negotiate a settlement between the parties. If a settlement is not reached, DFEH may issue a determination on the merits of the case.
2. Where a case is not settled and the DFEH finds a violation to exist, it can prosecute the charging party's case before the Fair Employment and Housing Commission ("FEHC"). Legal remedies available through DFEH and FEHC for a successful claim by an applicant, employee, or former employee include possible reinstatement to a former job, award of a job applied for, back pay, front pay, attorney's fees, and under appropriate circumstances, actual damages and/or administrative fines.
