

Adoption of the Annual Budget for Fiscal Year 2026 and Approval of Repair, Maintenance and Pre-Construction Activities.

Summary

SCH Number

2025031224

Public Agency

Big Bear Area Regional Wastewater Agency (BBARWA)

Document Title

Adoption of the Annual Budget for Fiscal Year 2026 and Approval of Repair, Maintenance and Pre-Construction Activities.

Document Type

NOE - Notice of Exemption

Received

3/27/2025

Posted

3/27/2025

Document Description

Adoption of the annual budget for Fiscal Year 2026 (the "Budget"), which includes funding for five projects to maintain or replace existing equipment, purchase small equipment, and engineering, environmental, final design, and other pre-construction activities related to Replenish Big Bear ("Budget"). The five potential projects include: 1) replacement of the information technology (IT) system production host and backup appliance, 2) rehabilitation of auxiliary pump 1, 3) return activated sludge (RAS) header replacement 4) rehabilitation of the oxidation ditch wall, and 5) performing engineering, environmental, final design, and other pre-construction activities related to Replenish Big Bear ("RBB, BBARWA's Wastewater Treatment Upgrades Project"), (collectively, "Proposed Approvals").

Notice of Exemption

Exempt Status

Other

Type, Section or Code

14 Cal. Code Regs. (State CEQA Guidelines), section 15378

Reasons for Exemption

The March 26, 2025 approval of the Budget and Proposed Approvals (projects 1-4) is not a CEQA "project," because the Budget and Proposed Approvals (projects 1-4) will not result in any direct or reasonably foreseeable indirect environmental impacts under State CEQA Guidelines § 15378.

Exempt Status

Statutory Exemption

Type, Section or Code

14 Cal. Code Regs. (State CEQA Guidelines), section 15273

Reasons for Exemption

The Budget is exempt from under State CEQA Guidelines § 15273 since the Budget includes rate adjustments to maintain service within existing service areas.

Exempt Status

Categorical Exemption

Type, Section or Code

14 Cal. Code Regs. (State CEQA Guidelines), sections 15301, 15302, 15303

Reasons for Exemption

Additionally, and even if the Budget and the Proposed Approvals (projects 1-4) are a CEQA "project," they are still categorically exempt from environmental review pursuant to State CEQA Guidelines, §§ 15301, 15302, 15303, and 15311 because the Budget and the Proposed Approvals involve: · the operation, repair, maintenance, or minor alteration of existing public structures, facilities, or mechanical equipment that will result in negligible or no expansion of use beyond that existing today pursuant to State CEQA Guidelines §15301; · the replacement or reconstruction of existing structures and facilities, which will be located on the same site have substantially the same purpose and capacity as the structure or facility replaced pursuant to State CEQA Guidelines § 15302; · the construction and location of limited numbers of new, small facilities or structures; installation of small new equipment and facilities in small structures; and the conversion of existing small structures from one use to another where only minor modifications are made in the exterior of the structure pursuant to State CEQA Guidelines § 15303. Finally, none of the "exceptions" to the categorical exemptions apply under State CEQA Guidelines § 15300.2. As to RBB (i.e., project 5), the approval of the Budget does not constitute an approval of the RBB Program as a whole, but rather allows BBARWA to approve the Budget for performing engineering, environmental, final design, and other pre-construction activities.

Exempt Status

Other

Type, Section or Code

14 Cal. Code Regs. (State CEQA Guidelines), section 15061(b)(3)

Reasons for Exemption

The Budget and Proposed Approvals (projects 1-4) are not subject to CEQA review, because it can be seen with certainty that they have no potential to impact the environment under State CEQA Guidelines § 15061(b)(3).
