BIG BEAR AREA REGIONAL WASTEWATER AGENCY BOARD POLICY INVESTMENT

I. Policy Statement

The Big Bear Area Regional Wastewater Agency ("Agency") has been entrusted with a special privilege and a unique responsibility to manage and protect public dollars. When managing public funds, the Agency understands that investment success can not be measured in terms of achieving the highest possible return but must be measured in terms of prudent investing that utilizes uncommitted dollars in safe, short-term instruments to earn the Agency reasonable returns with the least amount of risk and to maintain adequate liquidity.

II. Scope

This investment policy applies to all financial assets of the Agency which include:

1. Idle short-term operating cash.
2. Deposits held by fiscal agents, in accordance with the provisions of the applicable debt agreements, not necessarily limited to the specific investment types authorized under Section IV, Authorized Investments, set forth in this policy.
3. Restricted designated funds.

III. Objective

The primary objectives, in priority order, of the Agency's investment activities shall be:

1. **Safety:** Safety of principal is the foremost objective of the investment program. Investments of the Agency shall be undertaken in a manner that seeks to ensure the preservation of capital.

2. **Liquidity:** The Agency's investment portfolio will remain sufficiently liquid to meet all operating requirements.
3. **Yield:** The investment portfolio shall be designed with the objective of attaining a rate of return commensurate with the Agency's investment risk constraints and liquidity needs. Return on investment is of least importance compared to the safety and liquidity objectives described above.

IV. Authorized Investments

The following investments will be permitted by this policy and are authorized pursuant to California Government Code 53600 et seq.:

1. The Local Agency Investment Fund (LAIF) managed by the Treasurer of the State of California.
2. Certificates of Deposit insured by the Federal Deposit Insurance Corporation. Maturities are not to exceed two years from the date of purchase. Purchases may not exceed 30 percent of the Agency's surplus money.
3. United States Treasury Bills, Notes and Bonds for which the full faith and credit of the United States are pledged for the payment of principal and interest. Maturities are not to exceed two years from the date of purchase.
4. Triple-A rated money market mutual funds regulated by the Securities and Exchange Commission and whose portfolios consist only of United States Treasury securities.

V. Delegation of Authority

Management responsibility for the investment program is hereby delegated to the Finance Manager and the General Manager of the Agency, who may invest the Agency's funds consistent with this investment policy and who shall establish procedures and a system of controls for the operation of the investment program consistent with this investment policy.

VI. Reporting

The Finance Manager shall render an investment report to the General Manager and the Governing Board of the Agency on a monthly basis.

1. The investment report shall include the type of investment, institution, date of maturity, par and dollar amount invested on all securities, interest rate, share of the liquid value, investments and monies held by the Agency, and shall additionally, include a description of any of the Agency's funds, investments or programs, that are under the management of contracted parties, including lending programs. With respect to all securities held by the Agency, and under management of any outside party that is not also a local agency or the State of California Local Agency Investment Fund, the report shall also include a current market value as of the date of the report.
2. The investment report shall include a statement denoting the ability of the local agency to meet its expenditure requirements for the next six months or an explanation as to why sufficient money will not or may not be available.

VII. Standards of Care

1. Prudence

The Governing Board, General Manager and Finance Manager of the Agency are trustees and therefore fiduciaries subject to the prudent investor standard. When investing, reinvesting, purchasing, acquiring, exchanging, selling and managing public funds, a trustee shall act with care, skill, prudence and diligence under the circumstances then prevailing, that a prudent person acting in a like capacity and familiarity with those matters would use in the conduct of funds of a like character and with like aims, to safeguard the principal and maintain the liquidity needs of the Agency.

2. Ethics and Conflicts of Interest

In the manner required by applicable law, Officers and Employees involved in the investment process shall refrain from personal business activity that could conflict with the proper execution and management of the investment program, or that could impair their ability to make impartial decisions.

VIII. Policy Adoption

The Governing Board shall adopt the Agency's investment policy on an annual basis at a public meeting. Any modifications to the policy shall also be considered at a public meeting.
